Vote count: Election of Officers and Committees

The committee met at 3pm, at the Buzz Ware Village Center to tabulate votes for the Election of Committees and Officers, which was conducted at the Town Meeting on March 22.

Because of continuing Covid conditions, eligible voters who attended the virtual March 22 Town Meeting were allowed to print their own ballots and return them by 3pm, March 30, to the Arden Village mailbox. Absentee voting was conducted as usual. Also due to Covid conditions, the number of people counting votes was kept to a minimum. Attending from the committee were: Barbara Macklem, chief elector; Marcia Scheflen, Elizabeth Varley, Cecilia Vore. Assisting with the vote count were: Carl Falco, Barbara Henry, Danny Schweers and Larry Walker.

Counting was completed by 4:30 pm. Cecilia Vore will post election results on the Village website and on the bulletin board outside the BWVC and will send the election results to town officers and trustees.
